\$500 REWARD

is offered by the manufacturers of Dr. Sage's Catarrh Remedy, for a case of Catarrh in the Head which they cannot cure.

SYMPTOMS OF CATARRH. Dull, heavy headache, sometimes violent, sometimes passing, discharges falling from the head into the throat, sometimes profuse, watery, and acrid, at others, thick, tenacious, mucous, purulent, bloody and putrid; the eyes are weak and watery; there is a ringing in the ears, deafness, swelling or constrictions of the throat, expectoration of offensive matter, together with scabs from ulcers; the voice is changed and has a "nasal twang"; the breath is offensive; smell and taste are impaired; there is a sense of distaste, with unusual desire for a hacking cough and general debility. Only a few of the above-named symptoms are likely to be present in any one case. Thousands cases annually, without manifesting half the above symptoms, occur in consumption and other rheumatic diseases. No disease is so common, more deceptive and dangerous, or less understood by physicians.

By its mild, soothing and healing properties, Dr. Sage's Catarrh Remedy cures the worst Case of Catarrh in the Head, "Sore Eyes," and "Catarrhal Headache."

Sold in druggists everywhere, 50 cents.

"Intold Agony from Catarrh."

PROF. W. HAWKINS, the famous mesmerist, of Elizabethtown, N. Y., writes: "I was a real sufferer from catarrh for three years. At times I could hardly breathe, and was constantly hawking and spitting, and for the last eight months could not breathe, and was nearly dead. Nothing that man could do for me. Finally I was advised to try Dr. Sage's Catarrh Remedy, and I am now a well man. I believe it to be the only true remedy for catarrh now manufactured, and I am sending it to you, in fair trials to experience astounding results and a permanent cure."
